Cerner Corporation - Kansas City, MO

August 2016 to Present

Traveling around the U.S. converting hospitals, clinics, and institutions to our software, working side by side with physicians, nurses, techs, etc. teaching to use our medical software. Customer service, relations, and satisfaction. I have been on around 50 projects all over the United States and was chosen out of 200 people to go on a 3 week long assignment in Canada. Each "Go Live" has been very successful with excellent reviews from my peers.

I have the following training courses completed and have worked with these programs in the field:

Powerchart inpatient

Powerchart outpatient

Surginette anesthesia

Firstnet

Radnet

Ambulatory

Pharmnet

Acute care nursing

Oncology
