Recommendations

"Kyndal is such a sweet person to work with. She is always willing to try anything and everything to get the perfect photography shot! She is a natural behind the camera. Working with her as one of my photography reps has been so much fun and I cannot wait to watch her grow this year!"

- Joely Hackmann (Owner of Joely Hackmann Photography)

"I am a professional wedding and engagement photographer and decided to expand my work into senior portrait photography. I was looking for someone that not only could pull off the 'girl next door' charm, but also who could take my portfolio to the next level to attract clients that wanted more than just the traditional senior portraits. Kyndal was absolutely perfect for just this. She took direction incredibly well, brought her own ideas to the shoot, and was an absolute joy to work with. I cannot wait to work with her again!"
